The students of the college impart hundred percent pass result including various positions in merit list of university. The college is developed to prepare proud citizens of tomorrow, bubbled with skills, confidence and cognitive thrust.

ABOUT THE VIRTUAL CONCLAVE

The Virtual Conclave is organized by AVCW to create Environmental awareness among the youth of today. The basic purpose of the conclave is to discuss various measures and activities for higher education learners. The virtual conclave is organized on the topic ***“Role of Higher Education Institutions in Enhancing Awareness And Sensitivity Towards Environment”*** as the role of Higher Education Institutions play an enormously significant role in generating environmental awareness amongst youth . Curriculum of many subjects reveal an increasing concern of Government and other agencies with environmental problems and its solutions. Numerous courses are available at the postgraduate level, that provide environmental education relating to management and conservation of environment, environmental health, social ecology , sensitivity towards environment through curricular activities for e.g. celebration of Earth Day, Environment Day, Health Day and so on. World around, national and international seminars, conferences, virtual conclaves and workshops are organized to create awareness towards Environment.

Objectives of Virtual Conclave

- 1) To discuss the role of HEI in creating awareness towards environment.
- 2) To develop sensitivity towards environment.
