Vanita Samaj

In the year 1959-60 few educated and socially aware ladies decided to meet every Wednesday afternoon. Their regular meeting every week resulted in the formation of VANITA SAMAJ CLUB in 1960. Vanita Samaj club started ANAND VIHAR SCHOOL in the year 1962. After dynamic success of Anand Vihar School, Vanita samaj started Anand Vihar College for women in 1999. Since beginning till today Vanita Samaj has never taken any financial aid or grant from the government. All Vanita Samaj work activities & social functions are financially managed and organized by the Vanita Samaj Members. VANITA SAMAJ CLUB, by starting Anand Vihar School & College has played a unique example of success by running educational institutions by a Ladies club in Bhopal. Mostly senior & experienced ladies are in the management committee. They offer their service voluntarily, spending valuable time and money both. As both the institutions are leading on the path of dynamic success with motivation of values among students to three layers of higher India's Education.

Anand Vihar College For Women

Anand Vihar College for Women is a holistic centre of learning with different perspectives. Besides academics the college offers vast deep learning, experiential and practical approach towards life. The student nurtures a dream to explore the endless limit of the sky while holding tightly the harsh realities of life. This college prepares the students to enlighten path of success by their true wisdom and desire to achieve success. In return, they become responsible citizen of great nation. Our endeavor is to develop the girls as a person of real substance.

Commerce and Management Department

The Department of Commerce and Management of Anand Vihar college for women was founded in the year 1998. Since its inception, the department has always been recognized all over the Madhya Pradesh for excellence in academic excellence, best placements and quality in teaching. The department provides an outstanding learning environment complemented by efficacious teaching for the students to develop their overall personality. The cadre of qualified, experienced, competent and devoted faculty members provides thinking support, problem solving strategies, analysis, design, research, team work, communication skills and readiness for life long learning among students. The courses offered by the department opt innovative teaching techniques like interactive lectures, guided case studies, literature surveys and project work, clubbed with team work and critical and creative thinking.

About The Seminar

The Department of Commerce and Management along with Computer Applications is organizing the National Seminar to channelize the talents of the students, teachers and research scholars along with creating awareness for opportunities in Digital India, E-Payment System, Cyber Crime and Cyber Security. The session will proceed with the various aspects of digital India campaign to make the students aware about how digital India campaign is going to transform the nation and the opportunities generated by it. It is an ambitious program of Government of India providing for knowledge based transformation and delivering Good Governance to the citizens. The organization of e-commerce created unparalleled opportunities for research in commerce, education, entertainment and public discourse. E-Payment restores market beyond traditional geographic peripheries to digital marketing system for efficacy of the system. The technology is a great boon to redefine the traditional system of commercial sector. The advent of technology has also impacted the contours of white collar crime. Cyber crime can victimize anyone who uses social networking website or the one who performs online transaction.

The organization of e-commerce created unparalleled opportunities for research in commerce, education, entertainment and public discourse. E-Payment restores market beyond traditional geographic peripheries to digital marketing system for efficacy of the system. The technology is a great boon to redefine the traditional system of commercial sector. The advent of technology has also impacted the contours of white collar crime. Cyber crime can victimize anyone who uses social networking website or the one who performs online transaction.

Objectives

- To take digital literacy to the next level.
- To understand the 9 pillars of Digital India.

Workshop On

“Office Automation”

By
Mrs. Vasumati Sanjeev
Trainer, ITDP

Duration :- 24th June 2020 to 25th June 2020

OFFICE AUTOMATION COURSE CONTENT

Introduction

Microsoft Office is a suite of desktop productivity applications that is designed specifically to be used for office or business use. It is a proprietary product of Microsoft Corporation and was first released in 1990. Microsoft Office is available in 35 different languages and is supported by Windows, Mac and most Linux variants. It mainly consists of Word, Excel, PowerPoint. Microsoft Office was primarily created to automate the manual office work with a collection of purpose-built applications. This course is tailored for those who perform intensive data analysis.

OBJECTIVES OF THE COURSE:

- To know how to use the most common Microsoft Office programs.
- To be able to create documents for printing and sharing.
- To be able to apply spell-check and grammar facility.
- To be able to create Tables effectively.
- To be able to create and share presentations.
- To be able to apply attractive background designs.
- To be able to insert objects in Presentation.
- To be able to manage and store data in a spreadsheet.
- To be able to apply basic formulas in Excel.
- To be able to create Graphs and charts.

Red Ribbon Club of AVCW in association with FPAI organizes a webinar on "Cancer:Prevention and Treatment " on World Cancer Day dt.04/02/2021

The screenshot shows a Facebook live stream interface. The main content is a grid of video thumbnails for a webinar titled "Webinar on 'Cancer Prevention and Treatment'". The thumbnails show various participants, including a woman in a pink shirt and a man in a suit. The interface includes a search bar, a list of participants, and a comment section on the right. The comment section shows a post from "Anand Vihar" dated "4 February" with 43 views and a "Comments" section that is currently empty.
